“Off-Label” Use of XXXXX

INSTRUCTIONS

This document is about informed consent. It will explain the off-label use of **xxxx**.

It is important that you read this whole document carefully. Please read this and sign the consent for surgery as discussed with your plastic surgeon.

GENERAL INFORMATION

The Food and Drug Administration (FDA) mandates medical devices to be safe and effective. A device’s label says it may only be used in certain ways. These are to treat a specific condition.

“Off-label” use is when a device is used to treat a condition not approved by the FDA. Sometimes, doctors may use a device in off-label ways. This is based on their training and experience.

XXXXX

In order to **xxxxx**, your physician may opt to use **xxxxx**. Often, these **xxxxx**

CONSENT FOR SURGERY/PROCEDURE

1. I am aware that **xxxx** has received FDA approval for certain uses. This is an “off-label” and non-approved use for **xxxxx** surgery.
